

BSA Popcorn Fundraiser

Now is the time to plan your participation in this great fundraising activity for your Scouts and Scout units. Cubs, Scouts, Varsity and Venturing Scouts are all welcome to participate.

In the past, many LDS Scouting Units have passed on this opportunity as there was some confusion on the fundraising guidelines for youth in the church and whether or not LDS Units could participate in Popcorn sales if they did another ward fundraiser for their super activity.

The LDS-BSA Relationship Committee of San Diego has gotten a clarification from LDS Headquarters regarding LDS Units participation in Popcorn sales. The leadership has given us an unqualified “yes” to supporting this fundraiser. In short, GO SELL POPCORN!

Not only do Scouts earn some of the money they raise selling popcorn (units decide how to disburse this), but this is the main fundraiser for our council. So, popcorn sales help not only our local boys and units, but also the council. And who can say no to those cute Cub Scouts???

Here is the link for information on local popcorn sales:
